

Dear JUPAS Applicants,

**Change in General Entrance Requirements for  
Full-time Non-Education Undergraduate Programmes**

The Institute wrote to all JUPAS applicants on 29 November 2011 announcing its decision to revise the General Entrance Requirements (GER) of our Bachelor of Education (BEd) programmes for HKDSE cohort from 4+2X to 4+1X with effect from the 2012 intake. However, the requirement for our Bachelor of Arts and Bachelor of Social Sciences Programmes (BA & BSocSc) will remain unchanged as 4+2X subject to final approval from the Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ).

Now, I am pleased to announce that the Institute has obtained approval from HKCAAVQ to revise the GER of our non-education programmes as set out below:

Original GER for Undergraduate Programmes	New GER for Undergraduate Programmes
<p>Four core subjects and <u>two</u> elective subjects (i.e. 4+2X) with</p> <ul style="list-style-type: none"> <li>➤ Level 3: English Language and Chinese Language</li> <li>➤ Level 2: Mathematics, Liberal Studies and <u>two</u> elective subjects</li> </ul> <p><i>Students will have the alternative of replacing one of the elective subjects by demonstrating strong achievement in non-traditional areas such as PE, Music and Visual Arts.</i></p>	<p>Four core subjects and <u>one</u> elective subject (i.e. 4+1X) with</p> <ul style="list-style-type: none"> <li>➤ Level 3: English Language and Chinese Language</li> <li>➤ Level 2: Mathematics, Liberal Studies and <u>one</u> elective subject</li> </ul>

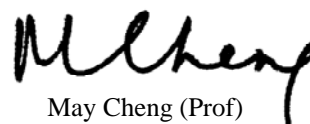

As a result of this revision, special arrangements have been made with the JUPAS Office to allow applicants to add/delete/re-prioritize their programme choices in relation to the following programmes to make up a final list of no more than 20 programme choices:

- BA (Hons) in Creative Arts and Culture – Music / Visual Arts [JUPAS codes: JS8636 / JS8648]
- BA (Hons) in Language Studies – Chinese / English Major [JUPAS codes: JS8600 / JS8612]
- BSocSc (Hons) in Global and Environmental Studies [JUPAS code: JS8624]
- BSocSc (Hons) in Psychology [JUPAS code: JS8651]

Revision of programme choices can be made online via [the JUPAS online application system \(www.jupas.edu.hk\)](http://www.jupas.edu.hk) free-of-charge ONCE ONLY between 20 February 2012 (9:00am) and 24 February 2012 (11:59pm).

Dear JUPAS Applicants,

**Change in General Entrance Requirements for  
Full-time Undergraduate Programmes**

I am pleased to inform you that the Institute has recently approved the revision of the General Entrance Requirements (GER) of our undergraduate programmes for HKDSE cohort with effect from the 2012 intake:

Original GER for Undergraduate Programmes (4 + 2X)	New GER for Undergraduate Programmes (4 + 1X)
<p>Four core subjects and <u>two</u> elective subjects (i.e. 4+2X) with</p> <ul style="list-style-type: none"> <li>➤ Level 3: English Language and Chinese Language</li> <li>➤ Level 2: Mathematics, Liberal Studies and <u>two</u> elective subjects</li> </ul> <p><i>Students will have the alternative of replacing one of the elective subjects by demonstrating strong achievement in non-traditional areas such as PE, Music and Visual Arts.</i></p>	<p>Four core subjects and <u>one</u> elective subject (i.e. 4+1X) with</p> <ul style="list-style-type: none"> <li>➤ Level 3: English Language and Chinese Language</li> <li>➤ Level 2: Mathematics, Liberal Studies and <u>one</u> elective subject</li> </ul>

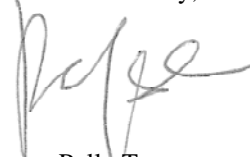

The revision aims to provide more choices to HKDSE students who are interested in the Institute's programmes. The revised entrance requirement will be in line with that of most of other local universities.

The new GER shall apply to all the undergraduate programmes for the HKDSE cohort. However, given that the Institute is in the process of seeking approval from the Hong Kong Council for Accreditation of Academic and Vocational Qualifications to adopt the new GER for the non-Education programmes, the arrangement for the adoption of the new GER shall be as follows:

- (i) The new GER shall apply to all the Bachelor of Education (BEd) programmes with immediate effect; and
- (ii) The entrance requirements for the following four non-Education programmes will remain as 4+2X until approval for the adoption of the new GER is obtained. The Institute will make announcement via JUPAS again on the adoption of the new GER in due course, hopefully in early 2012.
  - BA (Hons) in Creative Arts and Culture – Music / Visual Arts [JUPAS codes: JS8636/JS8648]
  - BA (Hons) in Language Studies – Chinese / English Major [JUPAS codes: JS8600/JS8612]
  - BSocSc (Hons) in Global and Environmental Studies [JUPAS code: JS8624]
  - BSocSc (Hons) in Psychology [JUPAS code: JS8651]
