Professor Brian Caldwell is Managing Director and Principal Consultant at Educational Transformations and former Dean of Education at the University of Melbourne. He has conducted professional assignments in or for 41 countries over the last 25 years. His books helped shape developments in several nations, notably the four books on self-managing schools (1988, 1992, 1998 and 2008). Recent books include *Why not the Best Schools* (2008), *Our School Our Future* (2010), *Changing Schools in an Era of Globalization* (2011) and *Transforming Education through the Arts* (2012). The Self-Transforming School, his fifth book with Jim Spinks, will be published in 2013.
